July 9, 2021

Dear Friend,

The Free Medical Clinic of Darlington County is excited to announce the 3rd Annual Heroes4Health Charity Golf Classic, presented by NUCOR South Carolina, benefitting the patients of The Free Medical Clinic of Darlington County – Hartsville and Darlington sites. The Free Medical Clinic of Darlington County provides free primary health care, prescription medications, cancer screenings, flu shots, and more to the uninsured, low-income residents of the county.

This year's event will be held Thursday September 23, 2021 at the Darlington Country Club. The Darlington Country Club continues to make upgrades to the facilities, and this year we are excited to announce we will have a morning and afternoon round, with 200+ golfers participating. A rain date is already scheduled for the following Thursday, September 30.

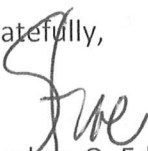

We know the last year and a half has been a challenge for everyone, especially businesses, but we need your support in order to continue offering high-quality healthcare to those who do not qualify for government Medicaid or Medicare, and cannot afford private insurance. We may be helping some of your employees, friends and neighbors!

Please consider entering a team or an individual ... or becoming a sponsor! Sponsorships begin as low as \$200. All of the details for the event is included on the enclosed flyers, and you can easily register online at www.fmcdc.org. Our patients need you!

Through the generosity of supporters like you, and our wonderful volunteers and partner providers, over the last twenty years The Clinic has provided more than \$14,000,000 in outstanding healthcare. The Clinic is a 501(c)(3) charitable organization, and donations are tax deductible. Please visit www.freemedicalclinicdc.org to learn more about The Clinic.

We sincerely appreciate your support and we hope to see you on September 23!

Gratefully,

Stephen O. Edwards
Executive Director
